1 15 13	LE intake with [REDACTED]	<p>Last spring quarter, taking a class with [REDACTED], he asked me if I would be interested in being a translator on a [REDACTED] trip next spring. He said he would help me out financially if I decided to go. I told him no. He started asking personal questions about my family, then he told me he was getting a divorce. He said could I have your phone number in case I need to talk to someone? Then in the summer, he called. He said he was going through assignments and couldn't find mine. Then he said he had another pile and it must be in there.</p> <p>[REDACTED] is my friend on Facebook because he was really involved with [REDACTED]. He sent me a message, said he had brought me a gift back from [REDACTED].</p> <p>Not seeking an apology, just think it is inappropriate. Also having trouble meeting with her [REDACTED] advisor.</p>
